To the Christian Reader.

THE Spirit of God in the sacred History, hath laid downe such helps, as are the light and life of all Nations originals. In the the circumstances of Person, Time, & Place, are the chief; else do we wander as without a guide: and of these the Person is principall. Genealogies then drawne from them, from whom all are descended, and by Gods owne warrant recorded vnto vs, must moue a speciall reuerence that they are holy, and farre from those other against which S. Paul writeth. Amongst whose manifold vses, this is the chiefest, that by them is proued how Christ was made very man. And therefore in seuerall Tables they are heere exhibited, euen from their first root, and so continued through their spreading branches, so farre as the Scripture giueth them sap. In the reading whereof, let these few directions be thy guides.

1 Tim. 1. 4.

1 Such descents as hold on from the Parents to their Children, without interruption are very plaine by their double lines, which runne from rundle to rundle.

2 Those whose Parents are not certainly knowne, but are named of their Country, City, or Tribe, are ioyned each vnder other, with this figure here in the margent.

3 And likewise such as are set in ranke side by side, and distinguished by this marginall marke, are not to be reputed Brethren, but some other persons of note, of that descent where they are so inserted.

4 The names of Nations and People, (as likewise sometimes of Cities and other places of note) we haue not incompassed in rundles as the rest, but in Compartiments, and different letters betwixt direct lines, that so they might bee knowne from particular persons, and the Names next vnder them, are not inserted as certainly thence descended, but as eminent Persons among them.

5 And where of necessity wee are to breake off the succession, to be continued in some other page, that doe we at some principall Persons: as at the flood with Noahs sonnes; at the Promise with Terah and Abraham, &c. So that euer the Man at which we breake off, is againe set in the first place of some ensuing page, where his issue is continued, though many times whole leaues fall betwixt them; which are supplied with other collaterals: such is from Abraham, pag. 3 vnto his wiues and seede. page 6. and 7. &c.

6. The lineage of our blessed Sauiour (which is our principall scope) is knowne by a Chaine-like traile, continued from Adam to Sem. p. 1. and thence to Terah and Abraham, pag. 3. &c. So likewise from Dauid, pag. 22. to his sonnes, Salomon and Nathan, page 33. and lastly to our Sauiours parents, pag. 34. linked together (as other marriages heere are) by the sculpture of an hand in hand. Both descended from [a] Zorobabel, as the holy Euangelists haue recorded: from Dauid, Iudah, and Abraham, as [b] Moses and the Prophets haue spoken; and Iewes themselues thus farre grant, that the Messiah should be the Sonne of a [c] Virgine, her name Mary, and she of [d] Beth-lehem, the daughter of Eli, of the house of Zorobabel, and Tribe of Iudah. In all which our Christ is manifestly designed, and by these Iewes both acknowledged to haue beene of the [e] blood-royall, and also recorded in the number of the Priests, in their publike Register at Ierusalem, by this title, IESVS THE SONNE OF THE LIVING GOD, AND OF THE VIRGINE MARY. Thus is he Dauids Sonne, and Abrahams Heire, in whom all the kindreds of the earth are blessed, [f] being the very image of the inuisible God, [g] the brightnes of the glory, and the ingrauen forme of his Person, in whom dwelleth the fulnesse of the God-head bodily, and vnto whom bee ascribed all glory, [h] praise, wisedome, thankes, power and might for euermore, Amen.

TERAH.

Vntill Terah, the worlds age was reckoned by the yeeres of men, but he the first recorded Idolater Iosh. 24. is the last in that dignity of cõputation. For from him to Christ, the times are chained with other linkes : as to the Law, the Temple, the Kingdomes diuision, the Captiuity, & the 70. weekes of Gabriel in Dan. 9. 24.

That Abram was not the eldest son of Terah is manifest; for he begat a son at seuenty and died at two hundred & fiue, Gen. 11. 26. 31. then was Abram 75. Gen. 12. 4. so that Terah must be one hundred thirty at his birth : againe Abram maried Sara his brothers daughter, and she but ten yeeres yonger then himselfe, Genes. 17. 17.

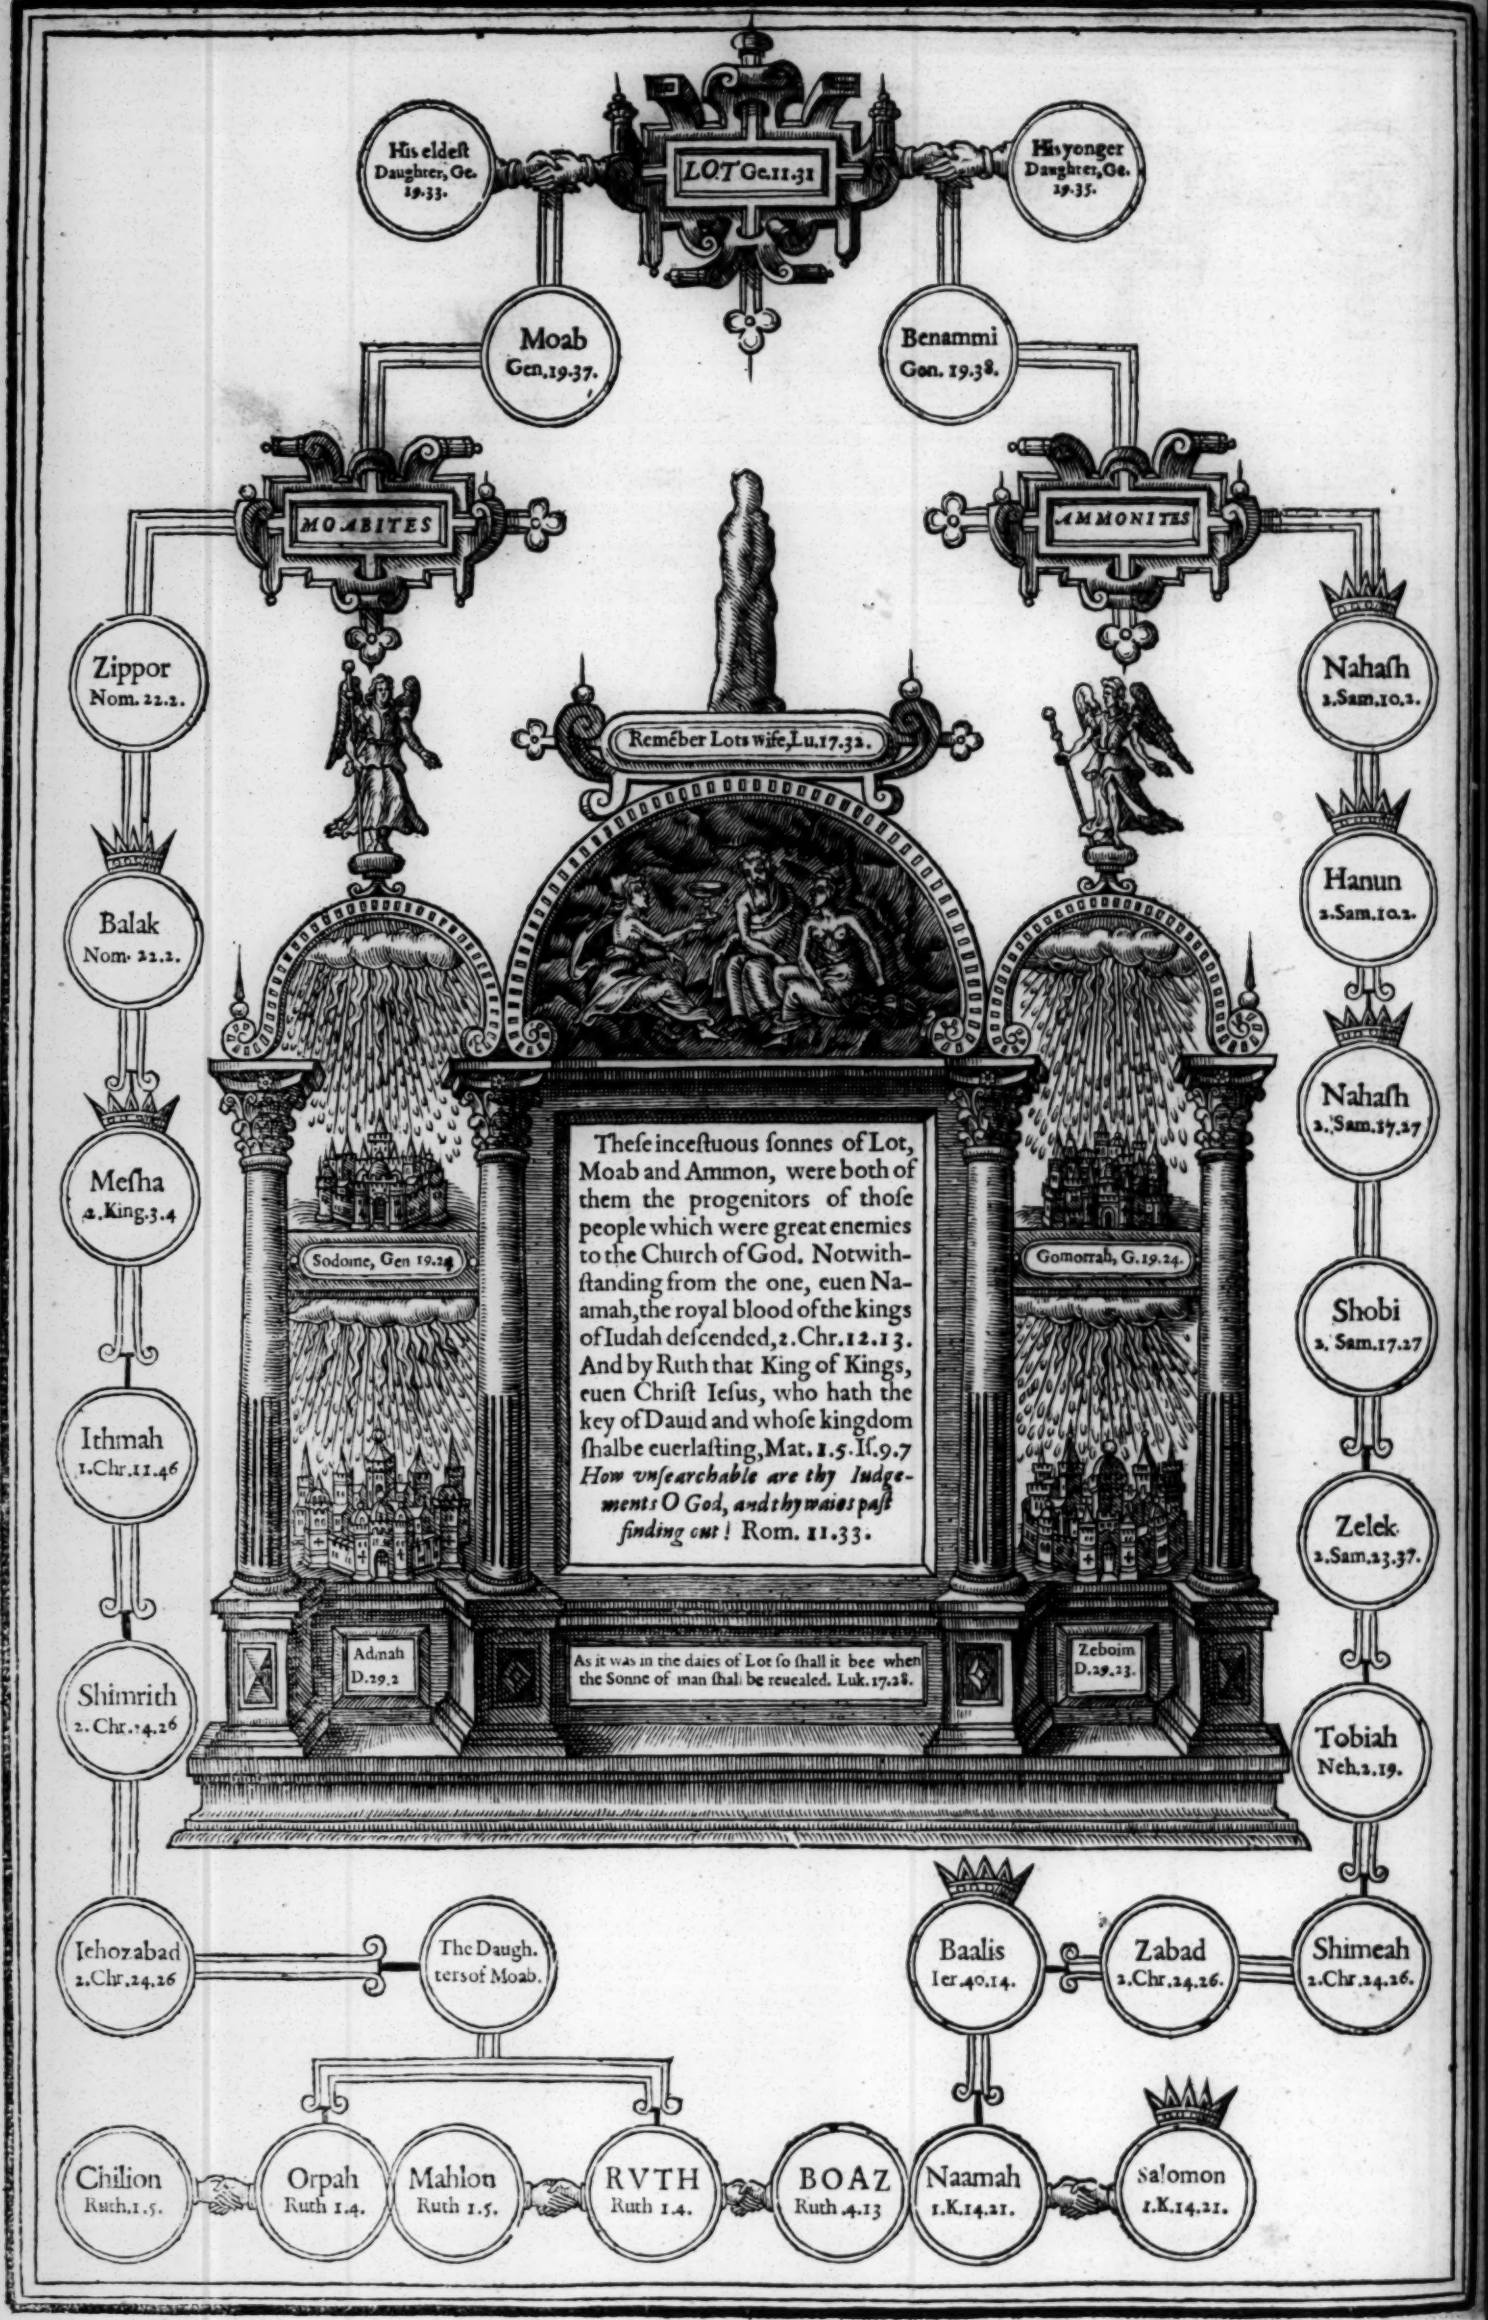
From the preſence of Iſaak, Abraham ſent his ſonnes by Cetura (whereof Midian was one) into the Eaſt, Gen.25.6. From thence are the Madianites, Iudg.6.3. And in the Eaſt, Iob is the greateſt, Iob 1.3. He held the true worſhip of God, as did Raguel and Iethro Ex. 18.11. a ſure teſtimony of Abrahams care towards his family, as the Lord had ſpoken, Gen.18.19. His ſtory and afflictions are thought to be before that Moſes penned the Law: otherwiſe it had not beene lawfull for him to haue ſacrificed, Iob 1.5. In Egipt all had ſinned, and were defiled with the Idols of that Land, Ezek. 20.8. Then did Satan accuſe the earth of impiety, yet Iob was iuſt, and knew that his Redeemer liued; and beleeued the Reſurrection to life, Iob.19.



These incestuous sonnes of Lot, Moab and Ammon, were both of them the progenitors of those people which were great enemies to the Church of God. Notwithstanding from the one, euen Naamah, the royal blood of the kings of Iudah descended, 2. Chr. 12. 13. And by Ruth that King of Kings, euen Christ Iesus, who hath the key of Dauid and whose kingdom shalbe euerlasting, Mat. 1. 5. Is. 9. 7

To The Christian Reader.

The whole land of Canaan, as it was possessed by the twelve Tribes, is circumland in this Mappe with a line of round pricks; as well that without Iordan, as that within, which later is devided into three severall parts, that is to sait, Galile on the north, stretched into the land of Phoenicia, Iewry on the south, taking in all the land of the Philistines; & Samaria, in the midst, the principall seat of the revolted Israellites. With severall limitts, are distinguished by a double line, or chaine, and all the Tribes therein placed as they were by Iosiuah devided, are separated by a traft of smale pricks. The cities given to the Levits, are marked with a croste, and the sixe cities of refuge, with a double croste, likewise all the bordering countries, upon the land of Canaan, as Moabites, Ammonites, Edomites, Amalekites, Ismaelites and Egiptians, & all ye waters, & places which ye scripture maketh in them, are exactlie set downe. So that ther is not the name of any citie, towne, river, mountaine, river, wilderness or plaine, mentioned in scripture, within the land of Canaan, or in any of their confines about written but are inserted & in their trew graduations observed, their reasons by scriptures & diversion of names, whereby many of them are called, having ther place in this smale draught to expresse. I have in y table annexed alphabetically laide downe as also most of y chiefest actiones happening in every severall tribe, by figures marked and in the margent with the like number answering, whereby they more readilie be known, and found. All tending to this end, to make more plaine unto us, the historie of the holie scriptures, both in auld and newe Testament.
